## DOG KENNELS

**LUCKY DOG®**

Lucky Dog welded wire kennel panels & gates are made with 100% premium commercial grade steel. A black powder coat over the entire structure ensures durability and rust resistance. The 1 in. legs on each panel allow for the kennel to be easily cleaned. The modular design allows you to configure multiple kennels in whatever orientation you choose, allowing you to utilize all available space. This kennel panel is designed with your dog's safety and comfort in mind. The panels have seamless welding and have no sharp edges or fixtures, making for strong and durable kennel using our panels and gates. Simply stand panels upright in desired configuration and bolt together. Two clamps with nuts and bolts per panel are supplied for connecting panels together. Exposed tubing on top of kennel are equipped with pipe plugs.
