

POLICY ON

Will-Calls

All in-stock products sold by Ziggy's Home Improvement are intended to be picked up immediately after purchase.

- If you need to leave the premises and return later the same day or on a different day, a Will-Call must be created.
- If you intend to pick up part of your order immediately after purchase and return later the same day or on a different day, a Will-Call must be created.
- You might experience a delay if you do not notify sales staff of your desire to Will-Call your purchase.

Restrictions

- Only a product that is to be picked up within 7 business days can be put on a Will-Call.
- Some products sold in bulk packaging or with a bulk discount cannot be split between immediate pick up and Will-Call. Examples include (but are not limited to) pellet fuel, energy logs, and composition roofing.
